Self-working card tricks have a bad reputation. That said.. some of greatest tricks in all of magic are self-working. It's not the trick, it's how you present the trick. The great thing about self working effects is the ability of the performer to perform the trick without having to worry about 'sleights'. If the patter is right, the trick will ...

72 Foolproof Card Miracles for the Amateur Magician What is a self-working card trick? A trick that does not depend upon legerdemain or special abilities on the part of the magician, but a trick that works automatically because of the mathematics inherent in the card deck itself. Long practice and supernatural dexterity are not needed to perform these tricks, yet they are often among the most ...
